

## Western Australia Branch First Timer Conference Incentive

To encourage members of the Australian Women Pilots' Association to attend their first National Conference, the WA Branch is offering up to \$500 financial assistance. This incentive will be made available annually until the 2025 conference hosted by WA. We welcome applications from everyone, regardless of age or how long you have been a member, to share in the fun and excitement our conferences bring. The successful applicant will be reimbursed costs associated with conference fees (including events), travel and accommodation, up to a maximum of \$500 reimbursed on presentation of receipts.

To apply, candidates must research a proposed budget of all costs that will be incurred for them to attend and enter it on the application form. A short explanation (max 500 words) of how these figures were calculated and what it would mean to be able to attend must also be included. Attachments can include screenshots of quotes, a copy of the registration form or any receipts already obtained as supporting evidence.

Applications must be collated into a single .pdf document, sent to [wa.president@awpa.org.au](mailto:wa.president@awpa.org.au) and confirmed received by **Friday 31<sup>st</sup> January 2025**. The successful applicant will be notified by **Friday 7<sup>th</sup> February** for the 2025 conference to be held in **Busselton Western Australia 31<sup>st</sup> April to 4<sup>th</sup> May 2025**. Further detail relating to the conference can be found at <https://www.awpa.org.au/conference-agm/>.
